

Guidelines for Admission into the Physical Education and Health Teacher Education (PEHTE) Major

PEHTE ADMISSION REQUIREMENTS: To move from Pre-PPHT (Pre-PEHTE) to PHHT (PEHTE), students must complete the following requirements:

I: Minimum Grade Point Average

- Students must have a GPA of 2.5 or above

II: Successful Completion of Required Courses

- BIO 111 + Lab: Principles of Biology (C- or higher)
- KIN 250: Introduction to Kinesiology (C or higher)
- KIN 291 + Lab: Clinical Human Anatomy (C or higher)

III. Twenty (20) hours of volunteer work in physical activity settings

- Potential PEHTE students must volunteer with children/adolescents in physical activity settings for a minimum of 20 hours.
- The twenty (20) hours can be accumulated from the time that students were officially accepted to UNCG.
- Approved documentation must be submitted when students apply to the PEHTE Concentration. Students will upload the documents to the online application found on the UNCG KIN website: [LINK TO APPLY TO THE PEHTE MAJOR](#)
 - **Approved documentation includes:**
 1. Professional letter(s) or email(s) from the supervisor documenting the volunteer experience(s) that includes the following:
 - a. Supervisor's contact information: first & last name, title/position, organization, address, email, phone number.
 - b. Description of volunteer event.
 - c. Documentation of the dates (including month, day, and year) and the total number of hours student volunteered in the physical activity setting.
 - **Unapproved volunteer hours include:**
 1. Any hours accumulated from any coursework at UNCG.
