**Doctor of Education in KINESIOLOGY**

Join a community of scholars—accomplished faculty and practicing kinesiology professionals from all over the country—who work together to make an impact not just in the field of kinesiology, but in their communities.

**Program at a Glance**

- Four-year online doctoral program includes 42 hours of coursework and 12 hours of dissertation
- Professional learning communities support academic and professional growth throughout the program
- Three required campus visits foster collaboration and community in cohorts
- Only online Doctor of Education in Kinesiology in the country
